

Product Description

Very effective for cleaning painted surfaces prior to painting. The product removes fats, oil, tobacco tar, soot etc. Can be used for the Most other types of cleaning e.g. vinyl, linoleum, tile, metal, glass panes etc. Mix with clean, cold to lukewarm water in appropriate conditions prior to use. Biologically degradable.

Directions for use

For basic cleaning of heavily soiled surfaces, use 1 part 110 to 3-5 parts water.

For general cleaning, use 1 part 110 to 10 parts water.

A duration of action at approx. 5 minutes is recommended before washing with clean water.

For special heavily soiled surfaces the duration of action will be longer.

When cleaning vertical surfaces be clean from the bottom up to avoid streaking.

Remarks

Wash thoroughly with clean water when cleaning agents do not remove, just loosen dirt and grime.
