

Product Description

Light acrylic filler for small holes and crack in walls, ceilings, and woodworks interior in dry rooms. Smooth and easy to apply, do not crack or shrink and is easy to sand. To be painted with most paints.

Directions for use

The surface must be clean and free from dust and loose material and particles. Moisten the surface slightly before filling. Three times of filling might be necessary for deep cracks and holes. Apply with filling knife and smoothed to make a nice surface.
